MORE TROUBLE IN HAYTL President Hyppolite Said to Be Preparing

Fly From Port au Prince. The Norwegian steamer Alert arrived in New York yesterday from Port de Paix and Port Haytian, both of which ports she left on August 27, and reported that a climax in Hayti's disturbed affairs would undoubtedly be reached

very soon.

News of the return to the Haytian capital of the exiles from Kingston, Jamaica, was being industriously circulated in the other large cities of the republic, and the forces guarding the several scaport cities were being strongly gar-

tho day of the Alert's departure President Hyppolite's family was leaving Port-au-Prince for Cape Haytian. Hyppolite is said to have lost confidence in the strength of his followers and is preparing to follow his family to Cape Haytian at the first news of the approach of the insurrectionists.

SOCIAL MATTERS. The Whereabouts of Well-Known Washing-

The residence of Mr. J. J. Lightfoot of Terrace Heights, Georgetown, was the scene Thursday evening of one of the pleasantest social events of the summer. The occasion was a german and garden party given by Mr. and Mrs. Lightfoot and daughters in honor of their guest, Miss Alexander of Kansas City. Her visit has been a delightful one and the many friends she has made while here learned with regret that she intends to leave on Monday for Richmond to join her parents for an extensive time. tonians-Personal Notes. ent: Solo, Mr. B. F. Taylor; organ seasched, Prof. Garland; reading, Miss Lattimer; piano solo, Miss Behrens: recitation, Mr. P. Allen Hall. The singing of Mr. Taylor and the reci-tation of Mr. Hall deserve special commenda-tion, both being encored several times, it was regretted by all that Mr. Wm. Crown, Richmond to join her parents for an extensive our through the east and north. The broad piazzas were festooned with Chinese lanterns. The mantels in the drawing rooms were banked the well-known banjo soloist, was unable to take part owing to a distressing accident. with flowers, while palms and ferns lined the walls. In the dining room the table had a center piece of La France roses, while all the dainty accompaniments of the table were in pink. The reception, which closed at 9, was followed by a most enjoyable german, led by Mr. Arthur Moses and Miss Maud Lightfoot.

total amount in the cases was \$65. Baltimore American states that W. L. Rose, a detective, left there vesterday afternoon for Washington with the wife of Thomas A. Mitchell

Monday Will Be Observed as a Holiday by

Washington with the wife of Thomas A. Mitchell of that city, who, it is alleged, cloped about four weeks ago from her home in company with Lewis K. Hail, a printer. She came to Hagerstown about three weeks ago, and for the past two days she has been working at the canning factory of Wentz, Fisher & Hoen. She lived quietly at a private boarding house on West Washington street. The detective only prevailed upon Mrs. Mitchell to accompany him to Washington by representing that he was an agent of a theatrical company and promised to give her a situation.

Ho! For the Plasterers' Excursion, Labor day, Marshall Hall. See adv.

Monday Will Be Observed as a Holiday by Many People.

Monday will be Labor day, and although it is not down on the calendar as a legal holiday it will be very generally observed in this city by the labor organizations. The principal feature of the celebration will be a parade, which will be participated in by the Bricklayers' Union, the Horseshoers' Union, the Carpenters' Union, the Carpenters' Union, the Horseshoers' Union and other organizations. A grand picnic will be given at the Schuetzen Park by the Bricklayers' Union. The Plasterers' Union will give an excursion to The Plasterers' Union will give an excursion to Marshall Hall and the Painters' Union to Notley Hall. A wide choice is given for those who wish to enjoy the holiday, and as far as prac-

ticable the day will be as intended, one of re-

the garbage question I would suggest to Dr.
Hammett that regular garbage depots be es-

tablished in the alleys of each of the more thickly settled squares, say a box (like the ordinary privy box) large enough to admit the use of a spoon shovel, heavy enough to prevent the stray dog and proverbial small boy from upsetting it or the fuel gathercr from taking it away for fire wood. It would be a great convenince to the housekeeper, whose individual bucket or box is usually upset by the second day and carried away by the third; expedite the work of the garbage man at least one-half, and settle the now divided respossibility between the two.
